

Different Drums

DRUM/PERCUSSION INSTRUMENTAL

CHORUS (With optional harmony throughout song)
*We all dance to different drums,
No two heartbeats are the same.
We all live under the same sun,
But we all have different rhythms to play.*

- 1 We will sing together, our voices join as one
As we celebrate our differences today,
And our song forever will be for everyone,
'Cause everybody has a part to play.

DRUM/PERCUSSION INSTRUMENTAL

CHORUS

- 2 We can live together in peace and harmony
If we take care of each other every day,
We can show respect even when we don't agree,
'Cause everybody has a part to play.

CHORUS (*a cappella with drums/percussion*)
